Michigan State Police, Criminal Justice Information Center, Traffic Crash Reporting Unit.

## Crash Data Collection for Commercial Motor Vehicles

The Michigan State Police Traffic Crash Reporting Unit is pleased to announce this **free** training on crash data collection for Commercial Motor Vehicles. This **free** one day training is being offered to any Law Enforcement Officer in Michigan who completes a UD-10 Traffic Crash Report. Each class is 8 hours long and is being offered on three days, May 7, 8 and 9, 2014.

Registration will be conducted through MI-TRAIN at <https://mi.train.org> under course #1048815. New MI-TRAIN users will need to complete a user profile before they can register for this class. Please register soon, as the classes are limited to 40 students per session.

This class is MCOLES registered,

The class is being instructed by Kenneth D. Hackman, CEO of the National Institute for Safety Research (NISR). Mr. Hackman has worked with the National Highway Traffic Safety Administration (NHTSA) and the Federal Motor Carrier Safety Administration (FMCSA) as an instructor for the past 32 years. Mr. Hackman also serves as the Chairman of the National Safety Council ANSI D-16.1 Committee, which is responsible for the development and production of the Manual on the Classification of Motor Vehicle Traffic Accidents.

All training materials will be provided, as well as a continental breakfast, catered lunch and refreshments.
